

## Welcome to the TOOST MUSIC catalogue sample library.

TOOST Music is an independent record company, representing a fine collection and variety of high quality CD releases. TOOST Music actively engages in online media entertainment services. The TOOST download portals represent the world's finest artists.

Our music is a wide variety of sparkling styles from all over the globe, will take you from Europe to Asia and at moments cross the ocean to illustrate the culture of the Cuban and Cape Verdean islands. A rich panoply of rhythms makes us discover the musical soul of the people who have contributed to the brilliant musical origin of jazz, pop, dance, electronic, soul, latin and many other genres.

TOOST Publishing controls the rights to an exclusive archive of music copyrights, which it supplies to the international music and audiovisual industry.

TOOST is ready to welcome new clients who are interested in media consulting and solutions for online communication strategy opportunities and service alliances.

ARTISTS, PRODUCERS, MARKETING MANAGERS, A&R MANAGERS, PUBLISHERS, CONTENT OWNERS and PROMOTORS: you are welcome to use and try out our music.
